PRIME QUALITY
INTERNATIONAL CONSULTANCY

Introduction

Prime Quality International Consultancy is the leading ISO consulting organization in Middle East with clients from different industries such as Manufacturing, Engineering, R&D, Food, Information Technology, Marine, oil & Gas, Trading, Construction and Service sectors.

- **ISO 9001: 2015**
- **ISO 14001:2015**
- **OHSAS 18001**
- **HACCP**
- **ISO 22000**
- **ISO 10002**
- **ISO 28001**
- **BRC**
- **ISO 27001**
- **ISO 13485**
- **ISO 29001**
- **ISO 15189**
- **ISO 22301**
- **ISO 17020**
- **ISO 17024**
- **GMP**
- **ISO 17025**
- **ISO 50001**
- **FSC & CE Marking**
- **SA 8000**

In the above mentioned standards, we are providing trainings, complete written ISO documentation, internal audit and assistance during final certification audit in the field of Quality, Environmental, Energy, Food safety, Occupational Health and Safety Management Systems, Shop-floor improvement practices and other emerging trends in the industries. Our ISO consultants are equipped with recognized Lead Auditor / Assessor qualification from international Register of Certified Auditors (IRCA, UK) and from IEMA.

Our holistic consulting approach required our consultant to be total involvement in developing, implementing, training and monitoring of respective management systems which is vital to your operational efficiency and Return of Investment (ROI) while at the same time save all the hassle of undergoing tedious writing of ISO documentation, thereby saving valuable time.

Prime Quality International Consultancy maintains current expertise in the design, development and implementation of technical requirements. Regulatory guidance is available focusing on Good Manufacturing Practices, Licenses, Registration and Enforcement activities.

Prime Quality International Consultancy can assist you in meeting the voluntary or government requirements of any organization.

We are also Specialized in
all type of Industry Related
Customized Trainings
